RE: CAIN, Sheldon Thomas
Docket No.: 2:08CR00030-1
REQUEST RELEASE FROM
RESIDENTIAL REENTRY CENTER
(RRC) PLACEMENT

Dear Judge Quackenbush:

Mr. Cain began his placement as a Bureau of Prisons inmate at the residential reentry center (RRC) on March 8, 2012. He was projected to release from the RRC on July 3, 2012, but due to unemployment and lack of a release address, he agreed to a modification of his supervision, to include a public law placement for up to 180 days. Since that time, Mr. Cain has located an appropriate release address which has been investigated by the undersigned officer. He has not obtained full-time employment at this time, but continues his job search efforts and reports that he has begun schooling.

In addition, the RRC has requested that the Probation Office work with offenders like Mr. Cain to expedite their release to the community, due to the fact they are currently over booked. Mr. Cain has maintained appropriate behavior overall while at the RRC and has secured stable housing, making him a good candidate for termination of his public law placement. I have spoken with staff at the RRC and they agree that Mr. Cain is ready to release from their facility, and will derive little benefit from continuing to remain there.

The undersigned probation officer respectfully recommends that Mr. Cain be released from the RRC facility with all other conditions of supervised release to remain in effect.

Should Your Honor require a different course of action, or require a Court appearance by Mr. Cain, please advise the undersigned officer.

Respectfully submitted,

Scott M. Morse, Sr.
